

Great Beer or Great Career – you cannot decide which of these sounds better? If so, then use the opportunity and brew great beer and craft great career within **Molson Coors Europe Supply Chain Trainee program.**

- During the program you will craft your career by:
 - ✓ 12 months departmental rotations within local Supply chain organization
 - ✓ enhancing expertise on Research and Teaching Institute for Brewing in Berlin seminars
 - ✓ learning from others through mentorship, best practices sharing with colleagues from other countries and visiting sites on various locations in Europe
 - ✓ experiential learning by working on project as well as hands-on experience in operator and supervisor roles

- What are we looking for?
 - ✓ You graduated not more than 2 years ago and are ready to take over permanent role starting from May 2019
 - ✓ You graduated with bachelor/master's in engineering - Technical engineer/ Mechanical Engineer or Engineer of Technology (Food Processing)
 - ✓ You are fluent in English and do not have any fear of using it in all kinds of communication
 - ✓ During your studies, you participated in various extracurricular/international student projects
 - ✓ You always want to learn more
 - ✓ You love challenges
 - ✓ You are not afraid to take over the responsibility and ownership
 - ✓ You are confident and competent
 - ✓ You are serious about delivering results
 - ✓ You can motivate and inspire others

As part of recruitment process, first you have to apply and submit your CV and Motivation letter in English, not later than **22/2/2019**

Our recruitment flow includes: **CV screening -> Phone screening -> Assessment centers -> Panel interview -> Final feedback**
