

Toro Group S is a leading HR Consulting company operating on the Bulgarian market for more than 20 years. Toro Group S works in cooperation with the international company Friisberg & Partners International – an international Executive Search group, which employs more than 150 professionals at 37 locations in 24 countries in Europe and across the globe.

For our client – Jacobs Douwe Egberts, the world's largest coffee and tea products manufacturer, we are looking for bright and curious young engineering graduates to begin their professional journey as:

ENGINEERING TRAINEE – COFFEE PRODUCTION

The company:

Jacobs Douwe Egberts Ops BG is the Bulgarian subsidiary of JDE, the world's leading pure-play coffee and tea company, headquartered in The Netherlands, with leading brands in over 100 countries around the world and more than 16,000 employees. For more than 265 years, JDE has been inspired by the belief that it's amazing what can happen over a cup of coffee.

The Bulgarian operation comprises modern production facilities and a country-wide distribution network. The portfolio of products contains the number one Bulgarian brand in the grounded coffee segment, "Nova Brasilia". The brand is produced in the Kostinbrod plant and has been a market leader for almost 30 years. JDE Bulgaria exports its products in over 10 countries.

You will have the opportunity to:

- Become part of a highly professional and cross-functional team in a cutting-edge food production facility, part of a multinational organization
- Develop your practical knowledge and skills by dealing with real life cases
