♥ **LOVE OUR CONSUMERS & BRANDS**

**TASTE THE
FUTURE**

Following the continuous growth for our business in Bulgaria, we are looking for energetic and talented individuals to become a part of our Manufacturing team in Svoge Chocolate Plant.

During this internship, with proper coaching, you will operate and maintain equipment to deliver to our safety, quality, cost, delivery, sustainability and morale targets. As a trainee you will learn the daily operations in the following departments in Svoge Chocolate plant: Production, Planning & Logistics, Asset Reliability, Business Development, IL6S, Quality Assurance, Health & Safety, Finance and Human Resources.

Requirements:

- Organizational skills and successful prioritization of tasks
- Problem solving skills and initiating ideas
- Safety and quality standards for operating machines
- Strong soft & presentation skills
- Goal oriented, team player, energetic and outgoing
- Fluent in English & Bulgarian
- A desire to drive your future and accelerate your career

More Information:

- **Start date:** To be decided
- **Duration:** 12 months with possibility to extend
- **Location:** Svoge
