

**Dear colleagues!**

**Voronezh State University of Engineering Technologies (Russia)** invites you to take part in the **VII International Scientific and Technical Conference "Innovative Technologies in the Food Industry: Science, Education, and Production"** dedicated to the 90th anniversary of FSBEI HE VSUET. It is held in the framework of the technological platform "Technologies of food and processing industry of the agro-industrial complex - healthy food products".

The conference will take place on November 20, 2020 at the address: 19 Prospekt Revolutsii, Voronezh, Russian Federation, Voronezh State University of Engineering Technologies.

The conference is planned in the following areas:

*Section No 1. Innovative technologies of food products, food additives and biologically active substances.*

*Section No 2. Resource-saving technologies for secondary resources and waste of processing industries of the agro-industrial complex.*

*Section No 3. Biotechnologies in the creation of new generation products.*

*Section No 4. New equipment in the processing industries of the agro-industrial complex.*

*Section No. 5. Training and retraining of personnel for industrial enterprises.*

An electronic collection of articles will be published based on the conference materials.

**The form of participation in the conference is correspondence.**

ATTENTION!  
PARTICIPATION IN THE CONFERENCE  
IS FREE

**To participate in the conference you should submit to the Organizing Committee:**

1. Application for participation in the conference in electronic form (example see Appendix 1);

2. The text of the report in electronic form containing from 3 to 5 full pages (including graphic material).

The electronic version of materials for publication is submitted in MS Word 2007/10/13 format (example see Appendix 2).

The submitted materials are not subject to further editing and correction; they are published in the author's edition. Materials that do not meet the above requirements are not considered and will not be returned to the authors.

Articles, that do not differ in scientific novelty, are not accepted for publication. The material's originality must be at least 75%.

Submission of applications and materials for publication in electronic form should be on electronic media or via e-mail (attached files, archiving is allowed: RAR, ZIP). No more than 3 papers are accepted from each author.

**Deadline for accepting materials:  
until November 20, 2020**

The texts of reports received after November 20, 2020 will not be published.

Distribution of the collection is possible only via e-mail in the second half of December 2020. The collection will be published on the official website of the FSBEI HE VSUET ([www.vsuet.ru](http://www.vsuet.ru)) in the "Conferences" section, and in the scientific electronic library (eLibrary, RSCI), the collection is assigned ISSN 2500 - 0683.
